Attn: Mr. Wendell Fortnell, SMCPB-EM
Pine Bluff Arsenal
Pine Bluff, Ark. 71602-9500

Dear Mr. Fortnell:

It was a pleasure meeting you during the Federal Facilities Conference. If you have any questions on environmental matters at your facility that you want to discuss, please feel free to call me at (214)767-9852. I am positive that we can achieve a cleaner environment if we strive to work with one another in this common effort.

I look forward to working with you.

Sincerely,

Suzette Turner
Environmental Engineer
Superfund Compliance Branch
